Baker Charter Schools
Attention: Dr. Daniel Huld, Ed. D., Superintendent
3000 Broadway
Baker City, OR 97814

Dear Dr. Daniel Huld:

Returning Oregon students to onsite learning is an enormous responsibility that is shared by schools, districts, and local and state public health agencies.

This letter confirms that Baker County Health Department has received Baker Charter Schools Operational Blueprint for School Reentry, written following the guidance issued by the Oregon Department of Education.

We are reviewing sections one through three of your Operational Blueprint for School Reentry. We may request adjustments to your submitted Operational Blueprint for School Reentry in the future, to address elements of emerging science and best practice related to COVID-19 mitigation in schools and communities.

Baker County Health Department is ready to work with Baker Charter Schools to mitigate the impact of COVID-19 in schools.

Sincerely,

A handwritten signature in cursive script that reads "Nancy Staten".

Nancy Staten, Administrator
Baker County Health Department
